

# BOROUGH OF CARLISLE

## HISTORICAL AND ARCHITECTURAL REVIEW BOARD AGENDA

Monday, May 7, 2018

5:30 p.m.

### **Consent Agenda**

1. Approval of minutes of the April 2, 2018 meeting.
2. A request by Thomas Genco for a Certificate of Appropriateness at 123 East South Street to remove the existing asphalt/fiberglass shingles on the house roof and replace with GAF Timberline asphalt/fiberglass shingles.

### **Regular Agenda:**

1. A request by Eric and Kathleen Storms for a Certificate of Appropriateness at 131-133 South Hanover Street to replace fourteen (14) windows in the rear “warehouse” building and infill two window openings not visible from a public way, with exterior wood panels. The request includes reducing the main-floor window opening heights by installing “T-111 wood panels in the lower 32” of each to provide increased security and privacy.
2. A request by Francis Nash for a Certificate of Appropriateness at 204 South West Street to remove the existing standing seam metal roofing facing South Street along with the lathe, sheathing and flashing and install new wood sheathing throughout covering it with new standing seam metal roofing to include all fasteners, trim and two rows of snow guards. In addition, the applicant is proposing to replace asphalt shingles currently covering an area of roof in the rear of the house with new Tamko Heritage asphalt shingles.
3. A request by Pat Weigle for a Certificate of Appropriateness at 49 East South Street to remove the existing asbestos “insulbrick” siding exposing the existing wood siding beneath and then to paint and repair the wood siding as needed.
4. A request by Robert Pound for a Certificate of Appropriateness at 66 East Pomfret Street to replace five (5) existing steel-frame windows in the rear masonry building visible from East Chapel Avenue, with Andersen Series 100 gliding windows.
5. A request by Cumberland County for a Certificate of Appropriateness at 37 East High Street to remove and replace the set of concrete stairs leading to the south entrance with concrete stairs of similar design, existing steel railing to be re-installed. In addition, the applicant is proposing to replace six (6) deteriorated windows with new Andersen A-series windows, (Note that these windows are located in the former prisoner exercise yard and are not visible from the street.)

*Continued on next page*

6. A request by Stephen Martson for a Certificate of Appropriateness at 154 West High Street to replace ten (10) windows on the second and third floors of the front section of the building.
7. A request by Tammi Funk for a Certificate of Appropriateness at 8 West High Street to install an overhanging sign 21' x 36" in size on Montamar channel sign brackets.
