Carlisle Borough Council

53 W. South St

Carlisle, PA 17013

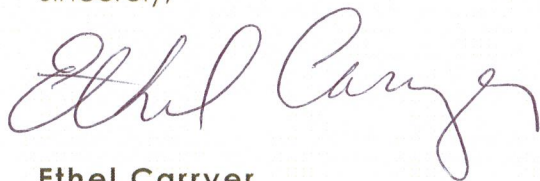

Dear Carlisle Borough Council

53 W. South St

Carlisle, PA 17013:

I have been a resident in Carlisle since 1983. The entire period I have been involved in community service both at the government and with service organizations. I wish to be considered for the opening of Borough Council. I know I will be an asset to this community.

Sincerely,

A handwritten signature in cursive script that reads "Ethel Carryer". The signature is written in black ink and is positioned above the printed name.

Ethel Carryer

Ethel Carryer

1. Why do you want to serve on the Carlisle Borough Council?

I have been involved in the interests in the matters of community and its' affairs. I have enjoyed these interactions and believe that I can contribute to the work of the Borough Council.

2. What prior experience can you bring to Borough Council that will benefit the Carlisle Community?

My experience has been broad based due to my extensive volunteer work in the Carlisle Community both in government & with non-profits. I have a solid background in manufacturing, outside suppliers and with my previous employer's international facilities. I have been successful in situations that required collaborations. As a Quality Engineer I focused on improvement.

3. What objectives and projects do you envision Carlisle pursuing the next five years?

Three major issues facing Carlisle are traffic due to the surrounding growth, no active snow emergency plan and with aging infrastructure.

For example, we need to work with Penn DOT to come up with a plan for rerouting traffic away from the downtown. Many communities have implemented traffic quieting measures in residential areas. I have observed what these communities have accomplished. I would be interested in working with others to come up with a plan to implement these changes.
