Borough Christmas Tree Collection

WHEN: Monday, January 9 through Friday, January 20, 2017

WHERE: Trees must be placed at the curb in front of your property for collection on your *scheduled garbage collection day* and must be free of all decorations. If a commercial tree bag is used to remove the tree from your home, please be sure to remove the bag prior to collection. Since your tree will be recycled into mulch, it is important to remove all decorations and tree bags.

NOTE: Artificial trees will be collected by the Borough’s solid waste hauler as a bulk item. Place your artificial tree curbside with your garbage and recyclables for collection.
