ROLL CALL

OPPORTUNITY FOR CITIZENS AND VISITORS TO BE HEARD

Members of the public and visitors may address Borough Council at this time on specific issues of concern relating to Borough government. This is a public meeting and we welcome your questions, comments and suggestions.

Those individuals who called ahead and requested to be on the agenda will be called upon first - all others will be recognized by raising their hand. The Mayor may request that citizens who have concerns with a scheduled agenda item delay their comments until Council addresses that agenda item.

In order to reflect accurate meeting minutes, we ask that those whom wish to address Council come forward to the podium, or stand in place, as long as everyone can hear. Individuals addressing Council are asked to give their full name and address (business or home) before beginning to speak. Citizens and visitors are asked to be brief and concise in their comments to permit everyone who wishes to speak an opportunity to do so.

CONSENT AGENDA

The following is a list of routine items which do not appear to be controversial in nature and which probably do not require additional discussion. They can be acted on by one motion in their current form.
